Dodgers Celebrate LGBTs with Historic 'Night OUT'

Posted on 8/23/2013 4:40:00 PM by Frontiers Staff

Celebrate a historic night out at Dodger's Stadium as the Dodgers welcome LGBT family and friends for the first-ever LGBT Night OUT on Friday, Sept. 27. Watch the boys in blue take on the Colorado Rockies and be a part of Dodgers history!

This unprecedented evening is being brought to you by Tom Whitman, Flip Events and—of course—the Dodgers, and it will feature a celebrity first pitch and a performance of the National Anthem performed by the Gay Men's Chorus of Los Angeles with a special surprise guest.

Tom Whitman is really excited about this event:

"It will be a historic night. It's the first time that the Dodgers are having an LGBT night, so this is a once-in-a-lifetime event. The Dodgers have a storied past of standing on the right side of history, most famously in ending the segregation of major league baseball with Jackie Robinson, and Sept. 27 is the next chapter in that Dodgers story.

We have sections reserved for Night OUT, so you'll get to sit surrounded by thousands of your gay friends and family. We are programming the entire evening, from a celebrity first pitch and a surprise guest singing the National Anthem with the Gay Men's Chorus of Los Angeles to a Manny Lehman-remixed fireworks show. And you get to watch the fireworks show from the field! How cool is that?"

You can [get your tickets here](#). Act now and use the promo code "OUT" when you buy tickets to reserve seating in the NIGHT OUT sections.
